

FREE PRESchool

It's for You

and Me!

Free, high quality preschool programs are available through Head Start and the Great Start Readiness Program. Families of four earning up to \$61,500 per year are usually eligible and those earning more are sometimes eligible. Half- and full-day openings are available now throughout Oakland County with transportation services offered at select sites.

Your child may be eligible for high quality preschool programs.

- Openings in schools and childcare centers are now available throughout Oakland County.
- Children must be three or four years old, but not five years old, on or before December 1 of the current school year.
- Programs offered are certified as very high quality by the Early Childhood Investment Corporation.
- Half- and full-day preschool options are available, with childcare before or after.
- Attending an early childhood program prepares kids to be successful in kindergarten and beyond. Experts agree that children who have quality early learning experiences are better prepared to be successful in school and throughout life.
- Oakland County's FREE preschool opportunities, Head Start and the Great Start Readiness Program, use research-based curriculum to prepare children both academically and socially for success in school.
